Or Any Severe Sickness Our Druggist,

W. M. Johnson, Advises Gainesville People to Take Vinol.

Every Person Recovering From a Severe Illness May be Quickly Restored to Health and Strength by Vinol.

Mrs. G. I. Partridge of Franklin, Mass., who recently celebrated her 60th wedding anniversary, writes:

"The grippe left me in a very weakened condition—no appetite, thin, nervous and no vitality. Nothing seemed to help me until a friend brought me a bottle of your Vinol. I commenced to take it, and it gave me a hearty appetite, my health and strength re-

turned until I feel like a new creature. I consider Vinol a wonderful medicine for anyone who has had a severe sickness; it makes strength and vitality so fast."

We have never sold in our store such a valuable strength creator and health restorer for the convalescent as Vinol. This is because Vinol contains in a concentrated form all of the vital principles of cod liver oil, but without a drop of oil to upset the stomach and retard its work.

Vinol purifies and enriches the blood, tones up the digestive organs, and strengthens every organ of the body to do its work as nature intended.

We ask every person in Gainesville who has been ill to try Vinol on our guarantee to build them up and make them well and strong. We return money if it fails. W. M. Johnson, druggist.
